(Jay Livingston - Ray Evans - Henry Mancini)

Dear heart wish you were here
To warm this night
My dear heart it seems like a year
Since you went out of my sight.

A single room a table for one
It's a lonesome town alright
But soon I'll kiss you hello at our front door
And dear heart I want to know I'll leave your arms never
more.

--- Instrumental ---

A single room a table for one
It's a lonesome town alright
But soon I'll kiss you hello at our front door
And dear heart I want to know I'll leave your arms never
