Didn't I try hard enough to understand your way?
Didn't I stay strong enough through all stormy days?
Like I'd be clinging to our little house so close were you
and I
Then came the day you just walked away and I lost you,
didn't I?

Didn't I kiss you often enough, didn't I hold you tight?
Didn't I say I love you each time we said goodnight?
Darling, please tell me what I didn't do
'Cause I tried so hard to make you see?

But above everything in this world
You were all that was meant for me
And you know I've thought I was all you wanted
In fact you've told me so
But I guess, I failed somewhere along the way
But just where I failed, I'd give my life to know

Didn't I kiss you often enough, didn't I hold you tight?
Didn't I say I love you each time we said goodnight?
Like I'd be clinging to our little house so close were you
and I
Then came the day you just walked away and I lost you,
didn't I?
