You say I need the rest why don't I go and see my sister
way out west

That's very thoughtful of you dear I'm really touched by
all this tenderness

But us women are suspicious things we know that men
aren't born with wings What's making you so kind
Now I'm not smart but I'm not blind I think that you've
got evil on your mind.

You think that you've been good about as long as most
redblooded he-men could

We've been together for so long I know another
pasture's looking good

Don't think that other men don't look at me that certain
way from time to time

Don't think that you're the only one that must contend
with evil on your mind.

Your mind is in a harem and surrounded by exotic
dancing girls

You're hearing pretty music as they run their slender
fingers through your curls

Ah dream on baby

I thank you for the flowers and the candy, honey that
was very kind

For that's your way of telling me you're sorry for the
evil on your mind
