"God Loves His Children"

I was a stranger brother out in sin didn't even have the
love of God within
But now I found him and I'm glad to say I love my
Saviour every day
God loves his children brother yes I know he will protect
you anywhere you go
Just call upon him he will hear your prayer God will
protect you anywhere
[ac.guitar]
Brother take warning while yet you have time don't let
no Satan lead you down the line
Just tell old Satan to stay out of your way God loves his
children everyday
God loves his children brother..
[ac.guitar]
I'm glad I've found him and I'm on my way I'm gonna
follow Jesus every day
Nothing can change me and I'm glad to say God loves
his children every day
God loves his children brother..
