I think I'll go across the ocean if I don't lose my notion
I just got to forget you if I can
I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you

Every day is sad and lonely cause I'm thinkin' of you
only

I just can't bear the thought of losin' you
I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you
[steel]

My nights are always dreary all I do is sit and worry
I just can't bear the thought of losin' you
I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you
I'd like to be forgiven but my life just ain't worth livin'
If all I do is worry over you

I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you
[dobro]

I think I'll go across the ocean...
I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you
