I don't want to hear it no more fussin' and a fightin'
baby hold me tight
Let's let bygones be bygones let's think about
tomorrow boy our future's bright
I know I was wrong but I was just a fool too blind to see
You were the only boy for me
Ah but now I see the light and everything's gonna be
alright baby hold me tight
Pa pa pa pa pa pa pa pa pa...
I know I was wrong...
You know I love you ooh you know I need you
I don't mean maybe you will always be my baby
Pa pa pa pa pa pa pa pa pa...
