I ain't a talkin' (no no) I ain't a talkin' (no, no)  
Till you say what I want to know  
I ain't a talkin' (no no) I ain't a talkin' (no, no)  
Till you tell me you love me so.

(Well, well, well, well) ain't gonna beg you  
(No, no) my lips are still  
If you won't love me  
Somebody else will.

I ain't a talkin' (no, no) I ain't a talkin' (no, no)  
Till you give me a guarantee  
I ain't a talkin' (no, no) I ain't a talkin' (no, no)  
Till you promise you'll love only me.

--- Instrumental ---

(No, no, no, no) ain't gonna beg you  
(No, no) my lips are still  
If you won't love me  
Somebody else will.

I ain't a talkin' (no, no) I ain't a talkin' (no, no)  
Till you give me a guarantee  
I ain't a talkin' (no, no) I ain't a talkin' (no, no)  
Till you promise you'll love only me...
