Today I passed you on the street and my heart fell at
your feet

I can't help it if I'm still in love with you

Somebody else walked by your side and she looked so
satisfied

I can't help it if I'm still in love with you.

A picture from the past came slowly stealing

As I brushed your arm and walked so close to you

Suddenly I've got that old time feeling

I can't help it if I'm still in love with you.

It's hard to know another's lips will kiss you

And she'll hold you just the way I used to do

Heaven only knows how much I miss you

I can't help it if I'm still in love with you.

I can't help it no I can't help it

I can't help it if I'm still in love with you...
