Gone is the sunshine that we knew before
Now we're just living a lie
But when it comes time love to walk out the door
I can't seem to say goodbye.

I can't say it's all right dear we'll make it somehow
Hold me close I'll try not to cry
I can say I love you till the day that I die
But I can't seem to say goodbye.

--- Instrumental ---

I can't say it's all right dear we'll make it we'll make it
somehow
Hold me close I'll try not to cry
I can say I love you till the day that I die
But I can't seem to say goodbye...
