I don't care the sun don't shine, I don't care the bells
don't chime
Just as long as you love me
I don't care the tops don't spin, I don't care the gins
don't gin
Just as long as you love me.

So darling let it rain, let it snow, let the cold north wind
blow
Just as long as you love me
North or south, east or west, you know I will stand the
test
Just as long as you love me.

--- Instrumental ---

I don't care the birds don't sing, I don't care the bells
don't ring
Just as long as you love me
I don't care the world don't turn, I don't care the fire
don't burn
Just as long as you love me.

So darling let it rain let it snow, let the cold north wind
blow
Just as long as you love me
North or south, east or west, you know I will stand the
test
Just as long as you love me.

Just as long as you love me...
