You and I must make a pact we must bring salvation
back
Where there is love I'll be there
I reach out my hand to you I'll have faith in all you do
Just call my name and I'll be there.

I'll be there to comfort you, build my world of dreams
around you
I'm so glad that I found you
I'll be there when love has flown
I'll be your strength I'll keep holding on.

Let me fill your heart with laughter togetherness is all
I'm after
Whenever you need me I'll be there
I'll be there to protect you unselfish love that respects
you
Just call my name and I'll be there.

I'll be there to comfort you, build my world of dreams
around you
I'm so glad that I found you
I'll be there when love has flown
I'll be your strength I'll keep holding on.

If you want somebody new she had better be good to
you
Cause if she isn't I'll be there
Just call my name I'll be there.
Just call my name I'll be there...
