Stay at home wait for you just won't get it cause I say  
we're through  
So I'm looking for someone to love I'm looking for  
someone to love  
Well you're not here baby I don't care cause I'm lookin'  
for someone to love

Play in the field all day long since I found out I was  
wrong  
And I'm lookin' for someone to love I'm lookin' for  
someone to love  
Well you're not here baby I don't care cause I'm lookin'  
for someone to love  
[ guitar ]  
Caught myself thinkin' of you you can't love me and  
another one too  
So I'm looking for someone to love I'm looking for  
someone to love  
Well you're not here baby I don't care cause I'm lookin'  
for someone to love  
Stay at home wait for you...  
I'm lookin' for someone to love I'm lookin' for someone  
to love  
I'm lookin' for someone to love I'm lookin' for someone  
to love  
I'm lookin' for someone to love I'm lookin' for someone  
to love  
Well you're not here baby I don't care cause I'm lookin'  
for someone to love
