It only hurts for a little while that's what they tell me
that's what they say
It only hurts for a little while then all your heartaches
will pass away
It's so easy to be smart with somebody else's heart
But I don't know how to start forgetting you what can I
do
It only hurts for a little while that's what they tell me just
wait and see
But I will hurt till you come back to me
[guitar]
It only hurts for a little while that's what they tell me just
wait and see
But I will hurt till you come back to me
