Now I'm alone starting to cry
Because my man just said goodbye
He thinks I threw him away
Even when I begged him to stay

Oh oh oh oh oh, it's a crazy world

Right down the street not very far
My man speed find him a bar
He thinks he's got it made
But he can't take his troubles away

Oh oh oh oh oh, it's a crazy world

Nothing to him meant something to me
What makes want a prisoner sets another one free
What makes me lonely makes someone else glad
What make me happy does someone else mad

It's a crazy world

You say it's the truth, I know it's a lie
You tell me hello you mean goodbye
Two and two used to make four
But I just don't know anymore

Oh oh oh oh oh, it's a crazy world
It's a crazy world, it's a crazy world, it's a crazy world
