I bless the day I found you, I want to stay around you  
And so I beg you let it be me  
Don't take this heaven from one if you must cling to  
someone  
Now and forever let it be me.

Each time we meet love I find complete love  
Without your sweet love what would life be  
So never leave me lonely, tell me you'll love me only  
And that you'll always let it be me.

If for each bit of gladness someone must taste the  
sadness  
I'll bear the sorrow please let it be me  
And no matter what the price is I'll make the sacrifices  
For each new tomorrow just let it be me.

Each time we meet love I find complete love  
Without your sweet love what would life be  
So never leave me lonely, tell me you'll love me only  
And that you'll always let it be me.

Let it be me...
