You told me that others before you were foolish to  
cause me to cry  
And just when I learned to adore you you kissed one  
more dream goodbye  
And left me lonely again just like you found me lonely  
again no arms around me  
Just when I'm sure that my heart is secure  
And my teardrops are dry with a warm glow inside  
Then this love is mine to the end of the line  
That's always the time that I'm lonely again

You told me you wanted me only that this time and this  
love would last  
You told me I'd never be lonely now you belong to the  
past  
And I'm so lonely again...  
Lonely again lonely again
