Baby's got that lovin' touch and I need his love so much
That soft warm lovin' touch comes so naturally
Baby's got that lovin' touch that sweet sweet lovin'
touch
And I just can't get enough when he's lovin' me.

When I'm low feelin' down he knows when to come
around
He don't have to say a word
Cause I just heard through his fingers a beautiful song
And our love makes sweet music all night long.

Baby's got that lovin' touch and I need his love so much
That soft warm lovin' touch comes so naturally
Baby's got that lovin' touch that sweet sweet lovin'
touch
And I just can't get enough when he's lovin' me.

Oh, I need his love so much baby's got that lovin'
touch...
