I have seen the morning burning golden on the
mountain in the skies
Aching with the feeling of the freedom of an eagle
when he flies
Turning on the world the way he smiled upon my soul
as I lay dying
Healing as the colors in the sunshine and the shadows
of his eyes.

Waking in the morning to the feeling of his fingers on
my skin
Wiping out the traces of the people and the places that
I've been
Teaching me that yesterday was something that I'd
never thought of trying
Talking of tomorrow and the money love and time we
had to spend
Loving him was easier than anything I'll ever do again.

Coming close together with a feeling that I'd never
known before in my time
I ain't ashamed to be a woman or afraid to be a friend
I don't know the answer to the easy way he opened
every door in my mind
But dreaming was as easy as believing it was never
gonna end
And loving him was easier than anything I'll ever do
again.

Hmm hmm hm hm hm...

Loving him was easier than anything I'll ever do again.

Hmm hmm hm hm hm...

Loving him was easier than anything I'll ever do again...
