Making believe that you still love me
Is leaving me alone and so blue
But I'll always dream though I'll never own you
Making believe is all I can do.

I can't hold you close when you're not with me
You're somebody's love you'll never be mine
Making believe I'll spend my lifetime
Loving you and making believe.

Making believe that I never lost you
But my happy hour I'll find are so few
My plans for the future will never come true
Making believe what else can I do.

I can't hold you close when you're not with me
You're somebody's love you'll never be mine
Making believe I'll spend my lifetime
Loving you and making believe...
