One hour and I'll be meeting you  
I know you're gonna make me blue  
My heart is trembling through and through  
'Cause I know very well, I can tell, I can tell  
This will be my last date with you

Just can't believe that this could end  
I know, I'll never love again  
You'll ask me to be just a friend  
It's as plain as can be, I can see, I can see  
This will be my last date with you

I know we had a quarrel  
But all sweethearts do  
I gave my heart to prove to you  
That I would always love you and be true

I know you've met somebody new  
You'll tell me, you and I are through  
My plans and dreams cannot come true  
And when you say goodbye, I know I will cry  
'Cause I know it's my last date with you
