(Delaney Bramlett)

I've got a never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never ending love for you.

I've got a never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never ending love for you.

After all this time of being alone
We can love one another feel for each other from now
on
It's so good I can hardly stand it.

Never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd sing my never ending song of love to you.

--- Instrumental ---

After all this time of being alone
We can love one another feel for each other from now
on
It's so good I can hardly stand it.

Never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never ending love for you.

I've got a never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never ending love for you...
