(Ronny Light)

One more time let's pretend that everything's all right
One more time let me hold you in my arms tonight
It's over now but still somehow I can't let go
So let me love you one more time.

.
I know tonight will be our last night
But let's pretend it isn't true
Give me just a memory to cling to
Hold me in your arms and whisper darlin' I'll always
love you.

One more time let's pretend that everything's all right
One more time let me hold you in my arms tonight
It's over now but still somehow I can't let go
So let me love you one more time.

One more time...
