(Marie Wilson - Skeeter Davis)

I know I'll keep a mem'ry inside of me
Mhm I still love you yet
Although you're gone you still are a part of me
Someone I'd like to forget.

Mhm, mhm, blue as can be
Mhm, mhm, oh, lonesome me
I walk along just me and the longing for
Someone I'd like to forget.

This heart of mine once held only happiness
Mhm now it's regret
Because of you it knows only loneliness
Someone I'd like to forget.

Mhm, mhm, blue as can be
Mhm, mhm, oh, lonesome me
I walk along just me and the longing for
Someone I'd like to forget...
