(Mel Tillis - Kent Westberry)

I met you and we married we planned our future well  
Built our home on happiness then suddenly it fell  
It wasn't long thereafter our love began to tilt  
Sorrow's tearing down the house that happiness once

Then came the heartaches brought by a so-called  
friend  
I guess that I'm as much to blame while we share the  
guilt  
Sorrow's tearing down the house that happiness once  
built.
