(Don Gibson)

Sweet dreams of you  
Every night I go through  
I should hate you the whole night through  
Instead of having sweet dreams about you.

You don't love me it's plain  
I should have known I'd never get your name  
Why can't I forget you and start lovin' someone new  
Instead of having sweet dreams about you.

--- Instrumental ---

Why can't I forget the fact  
And start lovin' someone new  
Instead of having sweet dreams about you.

Sweet dreams of you  
Every night I go through  
I should hate you the whole night through  
Instead of having sweet dreams about you.

Instead of having sweet dreams of you....
