(Paul Evans - Paul Parnes)

I'm in a depression  
I can't shake the blues  
I just read your letter  
Goodbye was today's bad news.

Oh, there's a fool born every minute, every minute of  
the day  
And I'm the fool who was born today  
Yes, there's a fool born every minute, every minute of  
the day  
And life is cruel when you're a fool.

There's no one to turn too  
I chased them away  
When I thought you loved me  
And now all that I can say.

Is there's a fool born every minute, every minute of the  
day  
And I'm the fool who was born today  
Yes, there's a fool born every minute, every minute of  
the day  
And life is cruel when you're a fool.

--- Instrumental ---

I don't go to places  
Where friends of mine go  
I can't stand their faces  
When they say I told you so.

Oh there's a fool born every minute, every minute of  
the day  
And I'm the fool who was born today  
Yes, there's a fool born every minute, every minute of  
the day  
And life is cruel when you're a fool.

Well, there's a fool born every day and today it looks

like I'm it...
