(Buck Owens - Dusty Rhodes)

You've got me under your spell again thinking those things again  
Making me believe that you're just mine  
You've got me dreaming those dreams again thinking those things again  
I've got to take you back just one more time.

I swore the last time that you let me down  
That I wouldn't see you if you came around  
But I can't tell my heart what's right or wrong  
And I've been so lonely since you've been gone

You've got me under your spell again thinking those things again  
Making me believe that you're just mine  
You've got me dreaming those dreams again thinking those things again  
I've got to take you back just one more time.

--- Instrumental ---

Everybody tells me that I'm a fool  
That I never should have put my faith in you  
And way down deep inside I guess I know it's true  
But no one else can make me feel the way you do.

You've got me under your spell again thinking those things again  
Making me believe that you're just mine  
You've got me dreaming those dreams again thinking those things again  
I've got to take you back just one more time...
