(Ted Daffan)

Bye, bye lover, wave bye, bye, bye, bye.

I'll be wondering what you're doing  
Wondering where you are  
I'll remember for a moment  
I held a shining star  
Bye, bye lover, wave bye, bye. bye, bye.

I'll be wanting you each moment  
I know you won't return  
I'll be trying to forget you  
I know my heart won't learn  
Bye, bye lover, wave bye, bye.

Listening in the silence  
To a breaking heart  
Happiness is over  
Now the pain will start.

I'll be listening for your whisper  
Listening all in vain  
I'll be listening for your footsteps  
I'll never hear again.  
Bye, bye lover, wave bye, bye, bye, bye.

--- Instrumental ---

Listening in the silence  
To a breaking heart  
Happiness is over  
Now the pain will start.

I'll be listening for your whisper  
Listening all in vain  
I'll be listening for your footsteps  
I'll never hear again.  
Bye, bye lover, wave bye, bye, bye, bye.

Bye, bye, bye, bye, bye, bye...
