(Felice Bryant)

If anyone could find the joy true love brings a girl and
boy
We could, we could you and I
If anyone could ever say that their true love was here to
stay
We could, we could you and I.

When I'm in your arms you know I'm happy to be there
Just as long as I'm with you I'm happy anywhere
If anyone could pray each night and thank the Lord that
all is right
We could, we could you and I.

When I'm in your arms you know I'm happy to be there
Just as long as I'm with you I'm happy anywhere
If anyone could pray each night and thank the Lord that
all is right
We could, we could you and I...
