(Wynn Stewart)

Wishing I could see you again dear  
That the fire of love would burn once more  
But I guess that's wishful thinking  
And too much to be wishing for.

Just thinking how you once kissed me  
Wishing that it hadn't meant goodbye  
But I guess that's wishful thinking  
Now I know why some people cry.

I just live my life in dreams  
And long for your love  
It's you I'm wishing for  
And it's you I'm thinking of.

My heart echoes the love words you'd spoken  
How I wish I could hear them from you  
Won't you answer a heart that's broken  
And make my wishful thinking come true.

--- Instrumental ---

My heart echoes the love words you'd spoken  
How I wish I could hear them from you  
Won't you answer a heart that's broken  
And make my wishful thinking come true...
