(Bob Merrill - Terry Shand)

You don't have to be a baby to cry
All you need is for love to go wrong
You don't have to be a baby to cry
Or to lay awake the whole night long.

When you leave me my golden rainbow disappears
Then you leave me a broken heart full of tears
These ain't raindrops in my eyes why should I lie
You don't have to be a baby to cry.

--- Instrumental ---

When you leave me my golden rainbow disappears
Then you leave me a broken heart full of tears
These ain't raindrops in my eyes why should I lie
You don't have to be a baby, b-a-b-y baby
You don't have to be a baby to cry...
