(Skeeter Davis)

All day today I was thinking of the time a long time ago  
When I told you I had a dream and my dream you  
wanted to know  
I couldn't tell you my secret so I laughed and just shook  
my head  
You didn't give up that easy and I still hear the words  
that you said.

You had a dream dear I had one too  
My dream was the best cause it was of you  
Come sweetheart tell me now is the time  
You tell me your dream I'll tell you mine.

--- Instrumental ---

You said you dreamed I had promised that someday  
we would be wed  
And that was exactly like my dream and I couldn't  
believe of what you said  
But now we're both so happy everything turned out fine  
You tell me your dream I'll tell you mine...
