Traveling lady, stay awhile  
Until the night is over  
I'm just a station on your way  
I know I'm not your lover

Well I lived with a child of snow  
When I was a soldier  
And I fought every man for her  
Until the nights grew colder

She used to wear her hair like you  
Except when she was sleeping  
And then she'd weave it on a loom  
Of smoke and gold and breathing

And why are you so quiet now  
Standing there in the doorway?  
You chose your journey long before  
You came upon this highway

Traveling lady stay awhile  
Until the night is over  
I'm just a station on your way  
I know I'm not your lover
