"Seen through the Eyes of the Anti-Christ who continues the Battle against god/allah and his prophets throughout Time. Religion and other Fairytales are one thing However Fundamentalism is increasing everywhere. "Holy" Battles (still) are fought in this So called Modern Age. New Dangers to face created by the ignorant Masses. God's Children Slaughtering each other in his Name, what a joke! Splendid "Victory" of the Servants of light. Did Lucifer REALLY lose the battle? The track is Our Way to express Our disrespect for Sheep....And Our Sympathy for the Rebel Angel.... "
