O infernal majesty  
Condemn him to the pit  
Evermore to suffer in  
Perpetual anguish  
Bring thy wrath upon him  
Send forth thy messengers  
To proclaim this dead  
Call forth thy legions that they may  
Witness what we do in thy name  
The pain, the hate, the beauty  
True strength, the force of evil  
True strength, epebos aiÄ,Ä§nia!!!  
Send forth thy messengers  
To proclaim this death  
The falldown of allah  
Of christ, of eva  
O lord of 'light'  
Lucifer!  
O lord of 'light'  
Satan!!!  
Infernal majesty  
Infernal majesty - fÄfÄ¼r immer  
Eternal, eternal!
