Oh what a shame, all my loves gone  
To waste so I'll spend the night alone  
Can you tell me was I...  
Was I just blinded by your lust  
I let you deeper in my trust  
I was captured but now I'm done  
With being vulnerable  
I don't need anyone  
To make me feel wanted  
I'm fine on my own

Love spells and illusions  
Both games I'll never win  
When loving only hides the truth under my skin

You'll never give into a thing  
I wanted you to love me  
I was a fool to think you'd fall for my spell  
Was I just blinded by your lust  
I let you deeper in my trust  
I was captured but now I'm done  
With being vulnerable  
I don't need anyone  
To make me feel wanted  
I'm fine on my own

Love spells and illusions  
Both games I'll never win  
When loving only hides the truth under my skin

Give my heart to the shore waves pulling away  
Hands will turn to rust you'll remember the day  
You held gold but you gave it away  
Freed from your hands I can say that I'm done  
With being vulnerable  
I don't need anyone  
To make me feel wanted  
I'm fine on my own

Love spells and illusions  
Both games I'll never win

When loving only hides the truth under my skin
