[Intro: Dom PaChino (girl)]
Persistence, bitch, is everything
(Yo what up, P?)
What's goin' on, man?
(I saw you today, why you wouldn't speak?)
I don't even be frontin'
Sometimes you be tryin' to holla at me
I mean, then you be on some bullshit
Like, you know like everybody
Tryin' to be at that club and hangin' out with ya
girlfriends
They all strippers and shit
(Ah man, all my girls ain't strippers and shit
They gotta do what they gotta do
I don't be frontin' on them, you just bein' insecure)
I ain't insecure, I'm a live nigga
You gotta be stupid if you think I'm insecure
(Dom baby you know you got my heart, you ain't gotta
be trippin' like that
That's what happened before)
I got your heart, man, all this time I spent with you
You think didn't want that shit?

[Dom PaChino]
Damn you lookin' so right
When I met you, thought I fucked you in my past life
Gave you my number and you called me that same
night
Plus you got my name right
Hit it that next day, shorty shit so tight
Years passed now you like my wife, but you don't listen
in and out of clubs constantly, like you on a mission
Niggaz schemin' on your kitten plus your girls'
bullshittin'
Hatin' got you double-datin', waitin' for our separation
Love my deep penetration, plus this shit I'm delegatin'
and keeps ya mind in elevation, seen you at the train
station
God-damn, temptation, is it too late to stop debatin'?
and start the matin', I'm waitin, for you to give me
answers

I keep givin' you chances, plus you still look good
My dick rip through my pants, Endless Love start playin'
Tell your people stop hatin'
and let's get together and rule the nation

[Featherz (Dom PaChino)]
Me for you and you for me
It's gonna take some time (We gon' get it together)
What we have is just too deep
for us to now decide
Me for you and you for me
It's gonna take some time (The wait is over)
What we have is just too deep
for us to keep inside
(Now give me my shit) {*girl giggling*}
(Whatever)
