It could have been me  
Living in that house  
With all those rooms  
With all that power  
And powerful friends  
It could have been me  
It could have been me  
It could have been me  
Living on that street  
Out in the cold  
Nothing to eat  
Dream of a home  
Dream of a bride  
A life alone  
It could have been me  
It could have been me  
It could have been me  
Lying in that jungle  
Out in that heat  
Fighting of my life  
Dying for nothin'  
Feeling a bullet enter my soul  
It could have been me  
It could have been me  
It could have been me  
Living in that prison  
Locked in a cage  
Damning the walls  
Damn the division  
Wondering why it had to be me  
Well, it could have been you  
It could have been me  
It could have been me
