Seems like everybody's got a price,
I wonder how they sleep at night,
When the sale comes first and the truth comes second,
Just stop for a minute and smile,

Everybody look to the left,
Everybody look to the right,
Can you feel that yeah,
We're payin with love tonight,

It's not about the money, money, money,
We don't need your money, money, money,
We just want to make the world dance,
Forget about the price tag,

It aint about the (ugh) cha chang cha chang,
It's not about the (yeah) ba bling ba bling,
Want to make the world dance,
Forget about the price tag,
(Price tag forget about the price tag)

Hey Hey Hey Hey

Won't you come see about me,
I'll be alone dancin you know it baby,
Tell me your troubles and doubts,
Givin me everything inside and out,

Don't you forget about me,
As you walk on by,
Will you call my name,
As you walk on by,
Will you call my name,
As you walk on by
Will you call my name

I say la lalalala lalalala lalalala lalalala

Tonight,
I will love love you tonight,
Give me everything tonight,

For all we know we might not get tomorrow,
Let's do it tonight,

Forget what they say,
All my care they play,
I want you tonight,

Grab somebody sexy,
Tell them Hey,
Give me everything tonight,
Give me everything tonight,

Take advantage of tonight
'Cause tomorrow I'm off to do battle, perform for
princess,
But tonight, I can make you my queen,
And make love to you endless,

It's insane to wait and they ain't growin' money,
Keep flowin', hustlers move beside us,
So I'm tip-toeing to keep blowing,
I got it locked up like Lindsay Lohan,

Put it on my lap, baby,
I make you feel right, baby,
Can't promise tomorrow,
But I'll promise tonight,

Excuse me,
But I might drink a little more than I should tonight,
And I may take you home with me if I could tonight,
(Don't you forget about me)
And baby I will make you feel so good tonight,
Cause we might not get tomorrow tonight.

Hands up,
I put my hand up,

Don't you forget about me,
(Party in the U.S.A.) tonight,

I will love love you tonight,
Give me everything tonight,
We might not get tomorrow,
Let's do it tonight
