Mickey, you're so fine  
You're so fine you blow my mind  
Hey Mickey, Hey Mickey

Mickey, you're so fine

~~~~~

You're so fine and you're mine  
I'll be yours till the end of time  
Cause you make me feel  
You make me feel  
So shiny and new

Like a virgin  
Touched for the very first time  
Like

~~~~~

Like the one in me  
That's O.K.  
Let's see how you do it  
Put up your dukes  
Let's get down to it

Hit me with your best shot  
Why don't you hit me with your best shot  
Hit me with your best shot  
Fire away

~~~~~

Na na na  
Come on  
Na na na na na  
Come on, come on, come on

Cause I may be bad  
But I'm perfectly good at it  
Sex in the air  
I don't care I love the smell of it

Sticks and stones may break my bones  
But chains and whip excite me

Cause I may be bad  
But I'm perfectly good at it  
Sex

~~~~~

Sex baby  
Let's talk about you and me  
Let's talk about all the good things  
And the bad things that may be  
Let's talk about sex  
Alright

Let's talk about sex  
A little bit, a little bit

Let's talk about sex, baby

~~~~~

Baby, all through the night  
I'll make love to you  
Like you want me too  
And I

~~~~~

And I guess it's just the woman in you  
That brings out the man in me  
I know I can't help myself  
You're all in the world to me

It feels like the first time  
It feels like the very first time  
It feels like the first time

~~~~~

It's going down fad to Blackstreet  
The horneys got abby collar creations funk like acne  
No doubt I put it down never slouch  
As long as my credit could vouch  
A dog couldn't catch me, straight up

Tell me who could stop when Dre making moves  
Attracting honeys like a magnet  
Giving them ig-asms with my mellow accent  
Still moving this flavour with horneys Blackstreet and

Teddy  
The original rump shakers

Shorty get down, good Lord  
Baby got them up open all over town  
Strictly biz she don't play around  
Cover much grounds got game by the pound

Getting paid is her forte  
Each and every day true player way  
I can't get her outta my mind  
I think about the girl all the time

I like the way you work it  
No diggity, I got to bag it up  
Baby

We out
