[Chorus:]

I'm looking for a asian girl tonight,  
We know that it's wrong but we make it right,  
Take her to my room call the lights,  
It's just me and my asian girl tonight,

[Verse 1: skepta]

I'm looking for an asian princess wearing a sari,  
They call me the first black raja so I'm in here tryna find  
a rani,  
There's too many 10 out of 10s in here,  
Yo jasmine pass me the car key,  
Let's all go back to my house right now and have a  
mehendi party,  
I brought so many drinks in here the clubs stinking of  
gun powder,  
If you feelin' it like I'm feelin' it say "dj turn it up  
louder",  
I picked up the microphone and told the club that we're  
leaving in an hour,  
Now the ladies looking for me like mario's looking for  
bowser,

[Chorus: x2]

I'm looking for a asian girl tonight,  
We know that it's wrong but we make it right,  
Take her to my room call the lights,  
It's just me and my asian girl tonight,

[Verse 2: chipmunk]

She looking at me like a box of chocolates it's standard  
celebration,  
So many asian girls love me might start to pin the  
nation, (?)  
I got my swagger right,  
Let's have a bangin' night,  
I mix the bhangra with the bashment I'm a bang it right,  
She said her faith is deep yo,  
I told her I ain't too religious but I seek doe,  
Hence I [mp3junkyard.blogspot.com](http://mp3junkyard.blogspot.com) found you,  
You show me asian sensation then I'll show you round

two,

[Chorus: x2]

I'm looking for a asian girl tonight,  
We know that it's wrong but we make it right,  
Take her to my room call the lights,  
It's just me and my asian girl tonight
