Cause I go to the rave gettin devine and the second line never sounded like the first line.

Leaving the first five minutes

I already get one wheel

Then I get two wheels it's a bicycle

Then I get three wheels it's a tricycle

Then I get four wheels it's a car, you can't even get a unicycle

It's a bar so you better stop spittin  
Forget a freestyle, man it's prewritten  
You listenin to the best spitter in Britain

WOW, I'm the king of grime and I will be for a very long

WOW, I'm the king of grime and I will be for a very long  
time

Cause I go to the rave gettin devine and the second

So which one of you lot wanna wanna be in war

Are you not ready for

I kill eight men I wanna bury more

We can do it in a sidewonder

Eskimo orange

I am the king you're no evil a prince

I told him to put a little gum on his tongs to test it

But he put the whole avil, I think that's why he's been  
lean ever since

I think that's why his night shows is at shambles

Don't wear shorts if you got dry ankles

Don't take pics if u got dry lips

I thought that you knew that

You can't do that.

Like trynna brodcast it on chips.

time
