[Skepta:]

Is it the champagne dance (No)
This is the champagne talk
Pop goes the cork the champagne pours
Stop hold the thought wait pause.
I see a girl in the distance making me weak like a
premature infant if she ever knew how much I wanna
get my hands on her she would have thought I was o.j.
simpson.
But I gotta take my time (yes) fink of the perfect rhyme
At the same time I don't wanna loose this race cause I
see alot of man on the startin line wanna be the first
man on the finishin line.
But you know what she's so hot I'll be more than happy
to take it s-slow cause

[Jay Sean:]

I'm not in a rush rush rush rush
Cause she lookin so lush lush slow down
I'm not in a rush rush rush rush
Cause she lookin so lush lush so slow it down. I'm not in
a rush

[Skepta:]

This ain't the drink talkin here but ever since I walked in
here I've been investigating you like inspector morse in
here
Your the kind of girl I would wife got me thinkin what
the babies would look like
Then a think twice like slow down joseph what I really
wanna know is
1.what you drinkin
2.what you thinkin
3.who you linkin cause I hope he's not here that's a
beautiful face you got there
And you know what your so hot I'll be more than happy
to take it s-slow cause

[Jay Sean:]

I'm not in a rush rush rush rush
Cause she lookin so lush lush slow down
I'm not in a rush rush rush rush
Cause she lookin so lush lush so slow it down.

I'm not in a rush rush rush rush
Cause she lookin so lush lush slow down
I'm not in a rush rush rush rush
Cause she lookin so lush lush so slow it down. I'm not in
a rush
