[feat. Dubz & Paper Pablo]

I'm B.I.G,  
Man wanna screw me because I MC  
If you ever saw what the skeng done to the tree  
You definatly wouldn't be looking at me  
MADNESS [x2]

One two three four  
You man better jam like a rebore  
You will get left on the concrete floor  
All you be hearing is ne-nor ne-nor  
It's not a joke  
No eddy murphy raw  
You mustve been smokin on the p4  
Cause if you ever saw what we saw  
You wouldn't look me up and down like a see-saw  
Check it out AZZI  
Test it out solo  
Test it out KJ  
Test it out  
I know it's working proper now  
So it's not a joke when I take it out  
Pull it out, shot one of my eyes and press it out  
No practice,  
But everytime I spit a verse on adlib  
My names on everybodys lips like chapstick  
Me d and p stick  
With the metal like a magnet it's a madness

I'm B.I.G,  
Man wanna screw me because I MC  
If you ever saw what the skeng done to the tree  
Definatly wouldn't be looking at me  
MADNESS [x2]

If you saw what the 4 done to the cardoor  
You wouldn't be acting hardcore (trust me)  
I've got a big 45 that's rusty  
I got it from my og who loves me  
I beat it like the youts that rush me

You could call me bumpy (cause I bump ps)  
And I get my knock on like rugby  
And my swaggers insane your dusty  
You lot are dutty  
You dress all the same  
Skeptad-hardy all the way  
You see dubz and christian augdigier  
I'm on the block where the ballers stay  
Your at home watching porn you're gay  
I let the champagne pour  
Your gang make money but my gang make more  
That's why were on a champagne tour

I'm B.I.G,  
Man wanna screw me because I MC  
If you ever saw what the skeng done to the tree  
Definatly wouldn't be looking at me  
MADNESS [x2]

You know I buy glocks and I grind rocks  
When I'm go on street when I go inside the shops  
Fresh to the feet you can see designer socks  
Buy gucci kreps these niggas buy shocks  
If this was belly then I would be ox  
My papes long like big H locks  
Yeah you know a nigga topnotch  
When I draw for the skeng sheet when the got cops  
These niggas call crimestoppers  
No days off we full time shotters  
I'm on the block like shub  
That watch looks good next time globetrotters  
You know I'm P.A.V  
Girls wanna screw me because I make P  
Shes sipping on MD plus she on an E  
For me? just don't beat, champerss

I'm B.I.G,  
Man wanna screw me because I MC  
If you ever saw what the skeng done to the tree  
Definatly wouldn't be looking at me
