[Verse 1: Skepta]

Listen to my emotions I'm letting out she came in a taxi  
I'm watching her as shes getting out. It's that pretty  
face and the sexy body that I'm checking out, and I  
nearly died when I saw them Ed Hardy shoes stepping  
out.

You know how much work I put into get this princess to  
my place, we can take I(t fast take it slow princess this  
ain't a race.

Kiss my neck kiss my chest and kiss below my waist,  
what happens in the bedroom stays in the bedroom I  
ain't watching faze.

[Chorus: Skepta]

You're doing a madness to my head. [x4]

[Verse 2: Skepta]

I ain't playing with you this ain't no game, we can look  
at each other in the mirror who said that we can't be  
vain.

Then I turn you round pick you up so you can see my  
name, I'm looking in your eyes so deep I think I see  
your brain.

Your sexy voice sounds sweet to the ear like a song  
Bob Marley sang, I wanna throw you in a ring give you a  
body drop and a power slam.

The way I start whistling in the bedroom just call me  
Macho Man or call me Junior call me Joseph or Ed Hardy  
Dan.

[Chorus: Skepta]

You're doing a madness to my head. [x8]

[Verse 3: Skepta]

We ain't together so there's no breaking up and it don't  
look like were gonna argue so there's no making up.

I can tell that I'm doing the right thing by the way shes  
shaking up, and I swear princess if this is a dream then  
I ain't waking up because...

[Chorus: Skepta]

You're doing a madness to my head. [x8]
