Whatyou know about that
Nike outlet
Wanted the penny hardaways but momma said doubt
that
7 months son you gonna grow out that
Let's go scout at payless whatever the minimum long
as you fittinem
Now I got so many dunks I could swim in em

Snap crackle pop when I walk cause my kix so crispy
Copped em for free.99 cause I'm thrifty
Minty fresh le air maxes
Couldn't touch my style with
20 years practice
Presidential swagger u should
Pay me taxes
Everything I do
I do big like Texas
Supersize mine u didn't eat breakfast
I got that sumo flow u anorexic
I keep it fresh to death like IÂ'm a breathmint
Steppin on my steez
U should be arrested
Talkin to your lady friend
She wanna let me in
Til u say u know where IÂ've been
Steppin on my what?!
