Verse:

Well I've been wondering  
All this time  
Washed up on the rocks again  
And I can't climb  
These girls reaching out at me  
I feel so high  
These girls being good to me  
It's such a crime

Pre-Chorus:

The words on your lips  
(It's such a crime)  
The things you will miss  
(It's such a crime)  
Ignorance is bliss  
(It's such a crime)  
And we listen to this  
We'll I wont listen, no

Verse 2:

She always wants attention so  
Take my advice  
In a wrong dimension I  
Fell for her twice  
Stuck in her own dimension she  
She'll pay the price  
When she gets down off her horse she'll see  
Love will suffice

Pre-Chorus:

The words on your lips  
(It's such a crime)  
I stumble and trip  
(It's such a crime)  
Ignorance is bliss  
(It's such a crime)

And we listen to this  
We'll I wont listen, no

Bridge:

You take my clothes and ornaments  
But you can't take my dignity tonight  
Tonight  
You drop me down  
I'm burning up  
I try to see  
I try my best to find  
To find
