"Hear Me Out"

Hey you, with bloodshot eyes all red
Nag Nag you're the drag of my last cigarette
Hey you, you should have stayed in bed
If I had a head like yours I'd have to bury it

If you want the truth then, you'll want to cry

Hear me out
I'm talking to you

Take off. You're making me a mess
I never should have given into your party dress
Back off! or I'll flip my lid again
My temper sure is rising enough to wish you dead

And if you want it all then, you'll want to die

CHORUS

Are you listening? Are you fucking listening to me?

CHORUS
