Woo

Uh

S-K-I Double L-Z

uh

Uh, C'mon

I remember that day
like yesterday
When I first saw baby girl
around the way
But the guy that she went can't be her man
'cause if she was my girl
I be holdin' her hand
So I just starred at her
and held my spot
Thinkin' damn this man don't know what he got
She was way pass hot and then flashed me a grin
So that means she wish she wasn't with him
So I, played it smooth and I winked at her ???ly
Is it me or she just wink back at me
Now I ain't sayin' that dude don't matter
but should I feel bad
'cause I really wanna have her
She was more than just a pretty face (oh well)
Maybe another time, another place
Until then you already know the deal

{Chorus}

But he don't, own me for real
(for real) For real
(for real) For reeal
(no he don't own me)
But he don't, own me for real
(for real) For real
(for real) For reeal
(he don't own me)

Uh,

C'mon

Wow

This feels so strange
and I didn't even get your name
You make me wanna sing about ya
I mean you a queen so you need a king around ya
he probably thinkin'
be safe be sure
You ain't learned lil' mama what ya waitin' for
Maybe he holdin' steady
Or maybe he gone do it when he get ready
I ain't plottin'
for you to drop him
I'm just sayin' exercise ya options
Until then, you already know the deal

{Chorus}

But he don't, own me for real
(for real) For real
(for real) For reeal
(no he don't own me)
But he don't, own me for real
(for real) For real
(for real) For reeal
(he don't own me)

She said

{breakdown}

??? enough space
waitin' for you take his place
'cause ain't no rings on
my finger
really it ain't that serious (Noo)
That's just part of the game
Really I think it's cool to claim
Tell me what's ya name?
