[Intro - Skillz - talking]

Woo!

It's that feel good music

This one of them days man, you know

Everything right

The weather right

The swag is right

Haha, yeah, come on

[Chorus - Kornbread] (Skillz)

Fittin to have a little fun tonight (uh huh)

Ain't nobody pullin guns tonight (uh uh)

We might argue and we might fight

But it'll be alright, it'll be alright

Cause, the mood set, we enjoyin the light

Kick back, relax, we enjoyin the night

(Check one, check two, yeah it's me on the mic)

So it'll be alright, it'll be alright

[Verse 1 - Skillz]

Another day, another dollar, I'm just tryin to get by

Pull the curtains back and see a clear blue sky

What's the plans for today? I'm tryin to decide

Hit the car wash up, get a shine on the ride

See my man (see my man), in the cut (in the cut)

The barbershop, yeah, see what's up (sup)

See my nigga 'Bread ('Bread), see my nigga Slim

(Slim)

The kicks real slick, plus they matchin the brim (uh)

The temperature's right, the air's so cool (cool)

Hit the crib up, pull out the old school (oh!)

Ain't heard nothin bad 'bout none of my good dudes

You know what they say, no news is good news

Turn up the sound (sounds), crankin up the beat (beat)

Some Earth, Wind & Fire, some Teena Marie (come on)

I got my lean on, now I'm sinkin in the seats (yeah)

Just one of those days, I'm just breezin through the streets

Come on, let's ride

[Chorus] - w/ ad libs from Aaries

[Verse 2 - Skillz]

Hit the dice game up, a couple dudes might hate
Just left Miss Ruby's and got me a plate
Drove right past the cops, ain't make a mistake
Hit that left on Main and hit that right on 8th (uh huh)
Got a chick on Main, had a chick on 8th
They call and I don't answer, I don't want no mistakes
And this time right here (uh), the best time of the year
(yeah)
You smell that? Somebody got a grill out (yeah, yeah,
yeah)
Did a U-turn and changed my route
Tryin to find whoever that is cookin out
It's a good day, nobody gettin into beef (uh)
I'm ridin slow watchin the kids in the street (uh)
Holler at the old heads, spend some time
That's how you do yours, this how I do mine
Hit the park up and watch everybody shine
And it don't get dark 'til a quarter to nine
Let's ride

[Chorus] - w/ ad libs from Aaries

[Break - Skillz] - w/ ad libs

It ain't a cloud in the sky, we sittin right in the sun
(come on)
Keep doin what you doin cause we just begun (yeah)
And it's days like this, man they second to none (yeah)
So HAVE, HAVE, HAVE FUNNN!

It ain't a cloud in the sky, we sittin right in the sun
Keep doin what you doin cause we just begun
See it's days like this (ha), man they second to none
So HAVE, HAVE, HAVE FUNNN!

[Chorus] - 2X

[Outro - Skillz - talking behind the Chorus]

Woo!
